

**Casino Fundraiser
Prize List**
(Effective January 2008)

Add excitement to your event and raise more money for your fundraiser with prizes guests are eager to win! We recommend providing one prize for every 25 guests, up to about 6 prizes. At smaller parties, one or two prizes will suffice. Prizes build excitement but more is not better. When there are too many prizes guests lose interest waiting for all the prizes to be given out.
